

BESTIAL MOUTHS TECH RIDER 2023-24

SHOW

BESTIAL MOUTHS is a 3 piece band - Vocalist, Synth Player, Drummer (sample drums -no acoustic drum kit).

Length of show is 30 to 45 minutes (or as agreed with band and promoter). Stage will be swept and free of debris prior to show. Artist and only those designated by artist to be onstage during show.

SOUND CHECK

The band requests 60 minutes for sound check. When possible, the venue is to remain free of the general public during this time.

REQUIREMENTS

- 1000 Watts professional PA system

Please understand that we will need to run vocals, keys/samples, and drum pad through the PA system; therefore, we suggest a minimum of 1000 Watts. Subs are also preferred.

- 3 lines inputs to FOH mixing console: 1 Mono XLR from Vocal processor & 1 Stereo XLR (1L & 1R so 2 lines) from mixer (which includes keys, sampler & drums). We will bring our DI box, cables, power supply. Vocalist brings own Mic.
- 3 stage monitors
- 3 power strips

BACKLINE

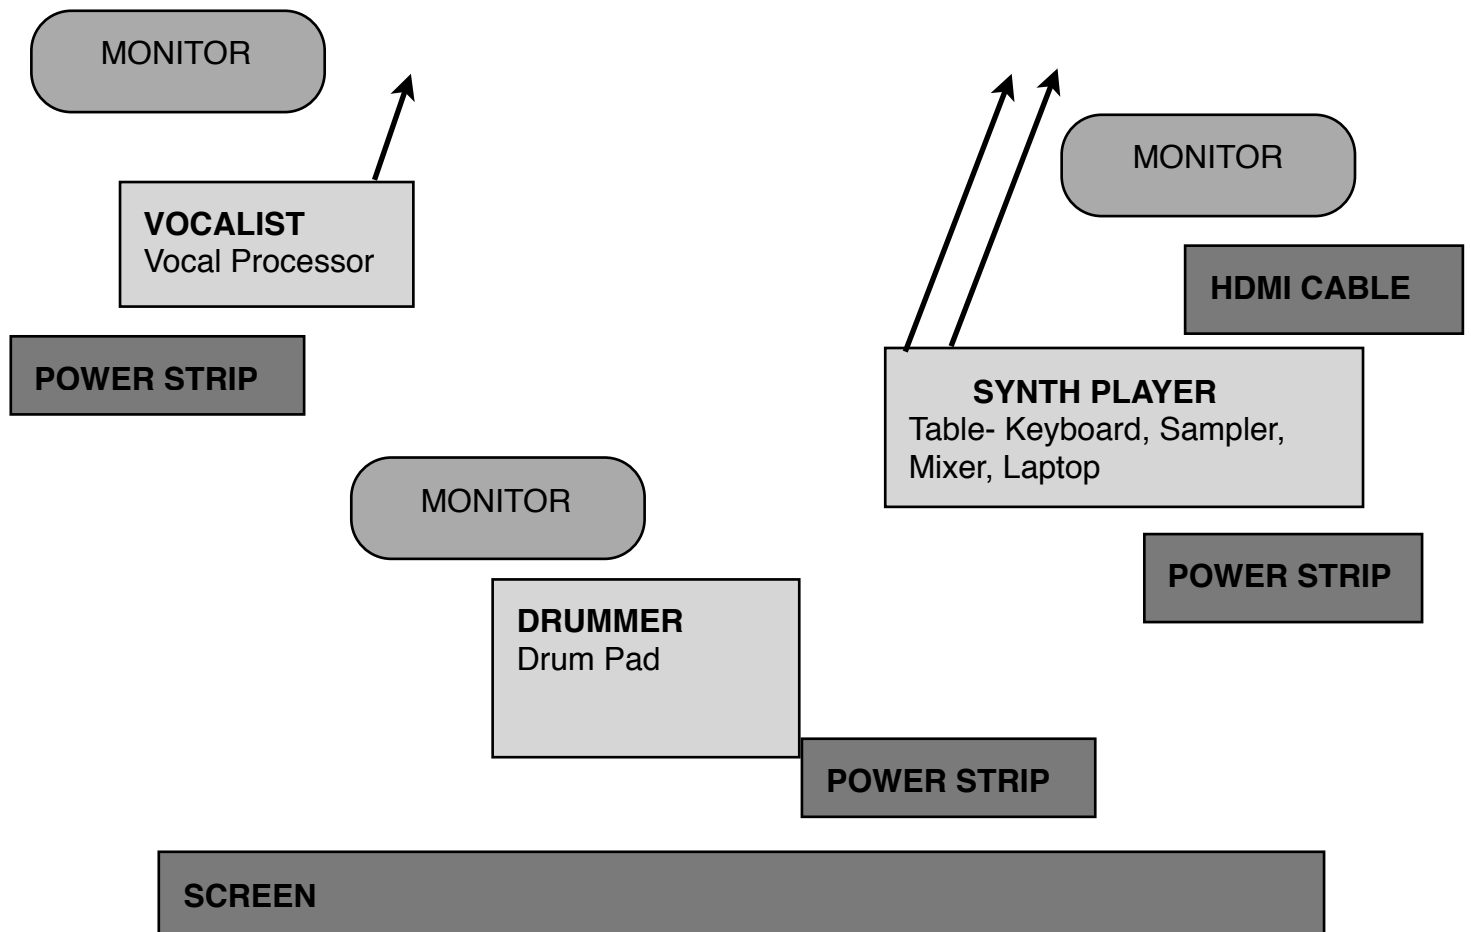

- Mounted Projector & Screen -with HDMI cable that reaches the stage (we run our own visuals from a laptop on stage)
- Small Table with black cloth to cover it (about 44" Long x 20"Wide)

BESTIAL MOUTHS TECH RIDER 2023-24

STAGE

- Adequate performance space for 3 piece band -
- Vocalist with TC HELICON Vocal Processor (with own mic - no mic stand needed)
- Synth player with a table with keyboard, AKAI MPCONE sequencer, Mixer & Laptop for visuals -HDMI cable should reach here
- Drummer with a Roland SPDx (no acoustic drums)

LINES TO HOUSE

BESTIAL MOUTHS TECH RIDER 2023-24

INPUT SOURCE	TYPE	QUANTITY
Main Vocals from FX Processor	XLR	1 Mono
Mixer	XLR	1 Stereo (L + R)

The sound technician will take the one STEREO output from the mixer & the one MONO channel from vocal processor (no DI needed). There are only 3 channels. We are totally independent on stage. Synth player handles mixing/sound balance on stage.

Vocalist- Lynette /she

Synth - Raph /he

Drummer - Wanda /they

MERCHANDISE

Clean table for band to sell merchandise with space for vinyl, shirts and various items (such as cds, bags, stickers, pins, hats etc). Please be well lit or provide light. If possible hangers or tape.
